Inter-office correspondence

1. In reply to paragraph 3 of your memorandum of 31 January 1951 on the above subject, this Office is of the opinion that the present arrangement by which the three divisions of your Office deal directly with the divisions of O/RR in such matters as requirements, operational case, etc., has operated and is operating in a most efficient manner. Insofar as the Office of Research and Reports is concerned, it is strongly urged that this arrangement be continued.
